Community organizing is a process where people who live in proximity to each other come together into an organization that acts in their shared self-interest. [citation needed]Unlike those who promote more-consensual community building, community organizers generally assume that social change necessarily involves conflict and social struggle in order to generate collective power for the powerless.

Media and Elections. The media are essential to democracy, and a democratic election is impossible without

media. A free and fair election is not only about the freedom to vote and the knowledge of how to cast a vote, but also about a participatory process where voters engage in public debate and have adequate information about parties, policies, candidates and the election process itself in ...
