the education of girls pdf

Education offers children a ladder out of poverty and a path to a promising future. But about 264 million children and adolescents around the world do not have the opportunity to enter or complete school.

Education | UNICEF

Education is Transformational. Education is a foundational driver of development, and fundamental to achieving self-reliance. Education is transformational for individuals and societies--it creates pathways to better health, economic growth, a sustainable environment, and peaceful, democratic societies.

Girl - Wikipedia

The fundamental goal of positive education is to promote flourishing or positive mental health within the school community. (Norrish et. al., 2013) Every parent wants the best for their children, they want their children to be happy and flourish. However, finding the right education can be a challenge!
