

the empowered self law pdf

In social work, empowerment offers an approach that allows social workers to increase the capacity for self-help of their clients. For example, this allows clients not to be seen as passive, helpless 'victims' to be rescued but instead as a self-empowered person fighting abuse/ oppression; a fight, in which the social worker takes the position of a facilitator, instead of the position of a ...

The concept of justifiable homicide in criminal law (e.g. as opposed to culpable homicide) stands on the dividing line between an excuse, a justification, and an exculpation. In certain circumstances, homicide is justified when it prevents greater harm to innocents. A homicide can only be justified if there is sufficient evidence to prove that it was reasonable to believe that the offending ...
