

the god idea of pdf

In Genesis 18-19 God resolves to destroy the cities Sodom and Gomorrah, "because their sin is very grievous". God promises Abraham that he will spare Sodom if as few as 10 righteous people can be found there. The cities are destroyed, but angels save Abraham's nephew Lot and most of his family from the destruction. God tests Abraham by demanding that he sacrifice Isaac, his son (Genesis 22).

The Bible and violence - Wikipedia

Thanks for the kudos. jesusneverexisted.com immediately sends up red flags. Regarding the first paragraph on that site: I'm not persuaded by the arguments that Nazareth didn't exist in the 1st century, and I have no idea whether or not the 12 disciples existed.
