The Great Controversy, Early SDA

When the early Adventists accepted the Lovett's Grove vision as truth, they cemented their position outside the Christian faith, interpreting Scripture through the lens of this new revelation.

Great Controversy - Life Assurance Ministries

The Great Radio Controversy is the second album by American hard rock band Tesla, released in 1989. The songs combine 1980s metal with some blues-influenced elements, as well as the occasional love ballad. The record features many two-part counterpoints provided by guitarists Frank Hannon and Tommy Skeoch, on both electric and acoustic guitars.

The Great Radio Controversy - Wikipedia

African-American Vernacular English (AAVE) has been the center of controversy about the education of African-American youths, the role AAVE should play in public schools and education, and its place in broader society.
